arter the light, were apparently, still fresh and none the worse for their efforts.

A Troublesome Crouk.

New Yons, Nov. 22.—The News may that while Fresident Cleveland's currange won waiting for him at the enth, the President having followed the remains of Er. President Arthur into the Grand Central depot, a young man dressed in a faded one fastened across his brans by a wooden pin, and wearing a faded brown hat, worked his way through the police lines and stopped upon the wheel beside the driver and reporter. It will be a sent to the reporter, he said: "Man and tell him I won't hunt had." Gleveland, and tell him I won't hunt had, therefore had not a superficient of the President? Sakhan Scholer, Rondoux N. Y.' It was the crank who was arrested at the Albany bisentermial for an alleged attempt spon the life of the President? sisked the reporter.

"I want you to tell him that I am hurmiess. I am the man who was arrested at Albany, but I did not want to shoot him. I am a Friend of his. I would not hurt, him, I would not hurt. Him President's face appeared at the New York Central door, and Schulor lecame more imperiment. An officer pulled him own you from the carriage, when he are a received.

Please gree into any cars may see will you?"

The President's face appeared at the New York Central door, and Schuler become more impertinent. An officer pelled him away from the carriage, when he ran around to the other side and tried to climb upon the seat. Superintendent Marray's attention was called to bim, and it sent Detective O'Connor after him, but the fellow saw the commotion among the police and ran away O-connor after him but the fellow saw the commution among the police and run way-from the deput. President Cleveland drove to the Fifth Avenue Hotel. Many cards were sent up, but only a few persons were received, among them Mayor Gracs. The Presidential party left for Washington at 545 n.m.

A Flendish Murder.

A Flendish Burder.

Estronia, Kan, Nov. 22.—A most unprovided and fendish marder was committed in this city this evening at the residence of S. E. Bondrum, on the corner of Market street and Ninth syeme, about 8 o'clock. It appears that I. D. Collier, a son of Robert Laint Collier, of Kansas City, had been in the employ of the A. T. & S. F. H. R. As a Moterial agent at this place. He employed to the complex of the A. T. & S. F. H. R. As a Moterial agent at this place. He employed to the complex of the complex of the control o

A Cyclone Electrical Storm.

Grann, Kas., Nov. 22—A cyclone electrical storm, Stark, Nov. 22—A cyclone electrical storm struck Girard at 8:80 this reorning, and passed through the residence portion of the town from southwest to northwest. The path of the eterm was only from fifty as swenty-sive test wide. All Of the lighter buildings were demolished, but the larger and more substantial buildings stood the shock without souch datange. The total damage will not exceed \$8,500. The Presbyletian Chirards is wreeked. A number of persons were injured, John W. Herron was blown out of his house, cut about the bead and internally injured and may die. His wife had her arm broken and Mrs. Jennedy was injured by a stone, but will recover Mattic Goodany, sized it years, was migned. Size is a critical candidate when it was turned bottom did in roof fall we only. Size is in a critical candidation when it was turned bottom did not a serious. Outside of Girard the damage was slight.
